Find the median, mean, and standard deviation of the following set of data:

123
422
566
329
247
296
301

   a. Median = 316; Mean = 301; Stdev = 139
   b. Median = 329; Mean = 300; Stdev = 25
   c. Median = 301; Mean = 326; Stdev = 139
   d. Median = 301; Mean = 340; Stdev = 36
