Each of our stores has its own modern European Style Bakery.

In the wee hours of the morning, our bakers begin mixing their dough and creating fresh breads and pastries including fruit tarts, table loaves, flat bread and the flakiest croissants in Southern California.

Our breads and pastries are made from old world recipes and the finest ingredients – Irish butter, organic eggs and unbleached flour.

Kudler's bakery products do not contain preservatives.

**If you aren't satisfied that
our baked goods are among
the best you have tasted,
your purchase is free!**
